# Close Finishes Mark Laurel Track Races

Rosshampton Disappoints Public in Steeplechase by Coming to Grief at Fifth Jump. his men together in the center of the gridiron and discussed the various formations and signals with his charges, after which he sent them through the above-mentioned maneuvers.

One thing is almost certain to result of the past week's tuning-up process, and that is when Georgetown meets the Red Men in Saturday's game, the team will doubtlessly have every play and formation so well fearned that there will not be any healtancy in starting. Nielson has insisted most emphatically that the smap and ginger, which the Georgetown representatives are known to possess, be utilized from the very start of the hostilities. The interference of the team should also be far above that which took place in the preceding contests. This element has been drilled over and over again in the warriors, both individually and collectively, and that the long rehearsals will bear fruit is almost certain on the part of the Georgetown adherents. J. H. Houghton, 8 to 1, Wins.

Laurel, Md., Oct. 12.-With a well-balanced card and many close finishes, the Laurel Bacing Association gave its patrons a good day of sport to-day.

The feature event was a two-mile handicap. The public received a severe

handrap. The public received a severe shock when Rossiampton, owned by Samuel Ross, came to grief at the fifth jump. He was a top-heavy favorite, ruling at 2 to 3. The winner turned up to Diebold, who ran a good game race

ruling at 2 to 5. The winner turned up to Diebold, who ran a good game race and beat Magellon by a hundred lengths. Tom Cat, a supposed "good thing," refused at the tund joung and did not finish. Diebold paid 5 to 5.

The most excitue finish of the day came in the lifth lace, when J. H. Houghton, Ragman, and Cooney K. finished so closely together the public could not learn the winner until the numbers were put up. The winner until the numbers were put up. The winner until the numbers were put up. The winner until the numbers were as one would care to see. Neck and neck down the homestretch the three horses came and it looked from the grand stand as though it minht be a dead heat.

In the last event of the day Hedge Rose, with 10 to 1 oralist her, won from post to post. She was heavily backed all over the ring, and the books were lard hit as a result of her victory.

Twesty-six bookles cut in, and they were kept husy nil afternoon. The attendance was equal to that of any day since the opening.

To-morrow is tadies day, and women will be admitted tree. Souvenirs will be given to each weaman present. Many new horses arrived to-day, and every stall is now occupied. The track is in excellent condition and good time is being made. Summary:

Princeton, N. J., Oct. 12-The Tigers showed much improvement over their work against Lenigh in a long scrim-mage with the scrubs this afternoon, plowing through the second string men for four touchdowns, all on straight line plays. long reheurasis will bear fruit is almost certain on the part of the Georgetown adherents.

Wymard, who was allowed a day off Wednesday, reported yesterday and clearly demonstrated that he is none the worke for the slight injury which happened to his leg carlier in the week. Harry Costello executed some long drep kicks, and that he is in good fettle for Saturday's battle was evident from the consistency of his kicking. The consensus of opinion is that he will be the first choice for the quarter back berth. The remainder of the eleven who will start the battle appear to be in excellent physical trim.

Manager Walsh has completed all the preliminary plans for the routest, and should the weather be propitious, his effects in making the many wise arrangements for the battle will be rewarded as the crowd which is expected to journey Georgetownward to-morrow afternoon should break all records. The hustling filine and Gray manager had thirty students on hand yesterday afternion and each man was instructed in the art of ushering.

ushering. Mass meetings will be held to-night at

Mans meetings will be held to night at the various schools. The Georgetown rooting section will be on the West end of the field. Fred Gibbs, the former track captain, will be cheer leader. In order to prevent any crowding of auto-mobiles at the large gate entering the grounds, a tag will be placed on each machine as it comes up the street in order that the differ might hand his tickets to the ticket taker.

# New York, Oct. 12.—The positions of New York will long remember a horse named Rudolfo, an indifferent two-year-

old, which came in a winner over the telegraph wires this afternoon, but is still a madden at the race tracks. It was a genuine case of wire tapping and it cost the proprietors of the poolingoms thousands of dollars.

Rudolfo was entered in the first race at Lautsville and opened here at 2½ to 1. There were several long shots in the race, including Mycena at 28 to 1, and tarilon Club at 28 to 1 and Casey Jones at 10 to 1.
